

## Andrographis Complex

Strong immune system support when you need it most\*

## Delivering Health Solutions That Work

MediHerb was co-founded in 1986 by world-renowned phytotherapist, Professor Kerry Bone. In his words, "Our passion at MediHerb is to unlock the healing power of plants by combining the time-honored wisdom of traditional knowledge with sound clinical experience and the rigor of scientific research. This quest can only be attained by the total commitment to quality and continuous improvement which permeates every aspect of our endeavors."

In over 25 years of operation MediHerb has not only demonstrated an unwavering commitment to quality in herbal products, we have redefined it. We believe our unique approach to quality sets a standard for herbal products that is unsurpassed in the world today.

Kerry Bone and over 20 health care professionals work within MediHerb while still maintaining their own clinical practices. We know from our experience that the quality of a product you take makes a huge difference to the health outcome you experience. We dedicate ourselves to researching and making the best possible products to deliver you health solutions that work.

# Andrographis Complex – Strong Immune System Support

The immune system is our body's natural defense mechanism. When it's strong and healthy, we can be prepared for whatever comes along.

However, we all know what it's like to feel tired and run down. Our fast-paced lives keep us constantly on the run. Perhaps we're overloaded at work, not getting enough sleep or just feeling "under the weather".

In situations like these, your immune system can find it challenging to stay strong. That's the time to give it the boost it needs with Andrographis Complex.\*

## What is Andrographis Complex?

Andrographis Complex is a potent blend of Andrographis herb and *Echinacea angustifolia* root plus Holy Basil herb and essential oil. This therapeutic formulation works effectively to support normal immune system function, especially if your immune system is under stress.\*

Used traditionally in China, India and south-east Asia, *Andrographis paniculata* naturally enhances healthy immune system response.\*

Holy Basil herb, cultivated for more than 5,000 years, is prized for a wide range of active constituents.\*

*Echinacea angustifolia* root, highly valued by the Native Americans, is preferred for its beneficial properties that enhance healthy immune system function.\*

## Who Needs Andrographis Complex?

Andrographis Complex is for everyone who needs short-term support for their immune or respiratory systems when they are under stress. People all around the world take it daily. Have it on hand for any time your immune system could benefit from a quick boost.\*

Ask your health care professional about Andrographis Complex. Discover the many benefits of giving your immune system strong support when you need it most.\*

## What Makes Andrographis Complex Unique?

Andrographis Complex uniquely combines the best of Western and Ayurvedic herbal traditions. It has been formulated by herbal experts, drawing on their years of clinical experience. Its efficacy is also strongly supported by modern research.\*

To be effective, Andrographis must contain significant levels of compounds called andrographolides (measured by HPLC<sup>†</sup>). Each Andrographis Complex tablet is standardized to contain 10 mg – ensuring optimal quality and strength.\*

Andrographis Complex combines an extract of Holy Basil herb plus its essential oils – the most effective way to harness its benefits.\*

MediHerb sources only the highest quality herbs. Then we test them extensively, to deliver you an optimal product.

MEDI  HERB®

## Compelling Benefits

Andrographis Complex contains an effective blend of Andrographis herb (1 g), Echinacea root (500 mg), Holy Basil herb (500 mg) and Holy Basil herb essential oil (10 mg).

This synergistic formulation works to:

- Help maintain healthy immune system function
- Support healthy respiratory system function
- Support and maintain normal body temperature already in a normal range
- Support healthy immune system response
- Encourage adaptive response to occasional everyday stress
- Promote healthy liver function\*

Ask your health care professional today about Andrographis Complex. They will also be able to inform you of any cautions to be aware of when taking this product.\*

<sup>†</sup> HPLC stands for high performance liquid chromatography and is the pharmaceutical standard test for andrographolide.
