Natural Cellular Defense*

Delivering Health Solutions That Work

MediHerb was co-founded in 1986 by world-renowned phytotherapist, Professor Kerry Bone. In his words, "Our passion at MediHerb is to unlock the healing power of plants by combining the time-honored wisdom of traditional knowledge with sound clinical experience and the rigor of scientific research. This quest can only be attained by the total commitment to quality and continuous improvement which permeates every aspect of our endeavors."

In over 25 years of operation MediHerb has not only demonstrated an unwavering commitment to quality in herbal products, we have redefined it. We believe our unique approach to quality sets a standard for herbal products that is unsurpassed in the world today.

Kerry Bone and over 20 health care professionals work within MediHerb while still maintaining their own clinical practices. We know from our experience that the quality of a product you take makes a huge difference to the health outcome you experience. We dedicate ourselves to researching and making the best possible products to deliver you health solutions that work.

Natural Cellular Defense

Vitanox®

MEDI HERB®

Vitanox® – Supporting Natural Cellular Defense Mechanisms

If you're concerned about the effects of aging or environmental pollution, your best defense is a combination of natural ingredients with antioxidant activity and cell-protective effects. By protecting key cell components from damage, these powerful elements can help support our health, vitality, immunity and longevity.

Complex mixtures of herbs, foods or food spices with antioxidant activity pack a potent punch and work best when taken in synergy.

What is Vitanox®

Vitanox® is a very well-balanced herbal formulation. It provides strong natural antioxidant activity through its synergistic combination of Green Tea, Turmeric, Grape Seed extract and Rosemary. Each has a long history of traditional and modern use.*

- Green Tea is widely consumed around the world, with well-documented benefits to health.*
- Turmeric is a favorite food spice in Asia, used for thousands of years and associated with many health benefits.*
- Grape Seed extract is noted for its antioxidant activity.*
- Rosemary extract is used as an antioxidant activity agent and preservative in the food industry, especially with meat and oil based products.*

How is Vitanox® Unique?

Vitanox® is an herbal powerhouse, providing antioxidant activity and cell-protective effects. Each tablet is extremely potent, containing a huge amount of dried herb equivalent: 13.2 g, almost half an ounce.*

Just 1 to 2 tablets a day provides complete antioxidant support.*

MediHerb sources only the highest quality herbs. Then we test them extensively to deliver you an optimal product.

Who needs Vitanox®?

Everyone who's concerned they may not be getting enough antioxidant activity through diet alone. Everyone who wants to positively support the natural processes of aging. Take Vitanox® if you're looking to provide additional support to the tissues and cells of your body. Or if you'd like some extra help in maintaining healthy gastrointestinal flora, ask your health care professional about Vitanox®. Discover the abundant benefits of its natural ingredients with cell-protective effects.*
